

Vendor Registration

Notification of Bid Opportunities

In order to receive notifications about Bid opportunities or to be issued Purchase Orders (POs) through EMaryland Marketplace, vendors must be registered within the system. Vendors can register themselves by accessing the EMaryland Marketplace login screen and selecting **Register**.

Providing General Information

Upon clicking **Register**, a pop-up window will appear asking you to provide your entity's tax identification number and name. EMaryland Marketplace will first confirm the uniqueness of your tax ID in the system.

If your tax ID is already registered, you will be notified that you cannot complete registration.

If your tax ID is new to the system, a **Register** screen will appear. Within the **Company Information** section, supply your company's official address and contact information. Note that the Vendor Legal Name field must match the name registered with the Internal Revenue Service for your tax ID number.

NOTE: YOU MUST CLICK THE  BUTTON ON EACH TAB FOR YOUR INFORMATION TO BE SAVED TO YOUR PROFILE.
